WILLOWGREEN®

WILLOWGREEN

GREETINGS FROM JIM MILLER

Friends,

As our latest catalog shows, it's been a busy year at Willowgreen. We've created a new audiovisual and a new book on healing presence. We've released a brand new Spanish translation of our popular book One You Love Has Died. We've turned several of our more popular titles into downloadable audiobooks. And we've joined the eBook revolution by turning 14 of our titles into that format. All these new products can be obtained through our website. In fact, that's the only place to purchase all our downloadable products. Printed books, audiovisuals, and note cards can be ordered by contacting our office, of course. Several distributors are now choosing to carry our new offerings.

If you've ever wondered who those pleasant voices belong to when you call us on the phone, here is your answer. Sue Devito, in the middle, is our morning office manager and shipping coordinator. She's been with us over 11 years. Pam Johnson, our afternoon office manager and bookkeeper, joined us two years ago. In addition to keeping everything running smoothly, Pam and Sue also have their fingers in some of the creative work that's so integral to Willowgreen.

Expect more new products in the near future—several are in the works already. In the meantime I hope you'll enjoy our latest creations.

WILLOWGREEN'S I-MINUTE INSPIRATIONS

An Online Resource That Will Lift You

Feedback from a series of focus groups with professional caregivers led us to develop an innovative new website designed to inspire and encourage you, while providing a very short respite any time you wish. We'll be creating an original sixty-second inspiration every seven days throughout the coming year. It may be a video, a podcast, or a 200-word writing accompanied by one of Jim Miller's photographs. Each 1-Minute Inspiration will be based upon a positive feeling, such as gratitude, joy, peacefulness, and wonder. You'll be able to watch, listen to, or read each one as often as you like. You'll find this newest Willowgreen resource at www.willowgreeninspiration.com. What will it cost you? It's absolutely free. So try it for yourself, then spread the word.

NEW PRODUCTS

THE GIFT OF HEALING PRESENCE: THE BOOK

Our newest book is designed for caregivers who are often on the run. While similar in flavor to the message of our popular book *The Art of Being a Healing Presence*, it differs in its succinct approach to this important dimension of caregiving. Only 32 pages long, incorporating one-page chapters, and highlighting Jim's full-color photography, this book gives busy caregivers, both professional and lay, the background and encouragement they need to be a healing presence for those in their care. It's priced at only \$5.95, with quantity discounts. Read more details on page 4.

THE GIFT OF HEALING PRESENCE: THE AUDIOVISUAL

We've listened to your requests and now Willowgreen has a audiovisual on the subject of healing presence. Hear Jim's voice while you watch his carefully orchestrated images illustrate the words of his newest book. Talented musician Eric Clancy composed and performed the music that both complements and enriches the visual experience. You'll be drawn to make associations with your own life and work. The 11-part DVD can be viewed in its entirety or a section at a time. It's appropriate for individual use, small group meetings, and large group input. You can choose between standard DVD and Blu-ray formats. See page 4 for more details.

WE'RE JOINING THE eBook REVOLUTION

How books have changed! And how rapidly! We've moved quickly to make 15 of our Willowgreen titles available in electronic format for use on various e-readers. Now you can carry our books with you with ease and read them wherever you go. All our eBooks can be purchased and downloaded directly from our website. They will also be available through other major distributors. Watch for more Willowgreen eBooks in the near future.

WE'VE ADDED AUDIOBOOKS TO OUR OFFERINGS

The world of audiobooks is expanding rapidly. Today you can begin listening to a book within minutes, if not seconds, of deciding to purchase it. You can download an electronic audiobook almost anywhere and play it back on a wide variety of devices. So to keep our work as accessible as possible, we're adding this new line of products. Jim has narrated several of our more popular books; he'll complete more in the coming months. You can access them directly from our website.

OUR FIRST BOOK IN SPANISH ... AGAIN

Three years ago we followed many requests to translate *One You Love Has Died* into Spanish. When we realized we had unknowingly published an inaccurate translation, we took the book off the market. Recently we hired a certified translator, created an entirely new version, and we're pleased with the results. Now you can share this popular book with those for whom Spanish is their preferred language. It's being introduced in print and eBook formats simultaneously.

PHOTO INSPIRATION DVDS

Photographic images dissolve slowly in and out in juxtaposition to the words on the screen as soft music plays. Ideal for hospital closed circuit TV systems, these creations can also be used for workshops, as audiences gather for keynote addresses, and for personal meditation.

The Wisdom of the Path

Quotes about choosing paths and making journeys are interspersed with images of paths through every terrain and in all seasons. Calming acoustic woodwind music feels inviting and supporting.

INS1—11 minutes. Professional Use: \$19.95.

Streams in the Desert

A guitar accompanies desert landscapes and quotes about desert experiences in life. Midway through, the images shift to water-scapes and the quotes reflect life's fullness.

INS3—12 minutes. Professional Use: \$19.95.

Awakened Day

Images from nature change on the upper part of the screen while a series of quotations change more slowly below. The overall theme is that sacredness is everywhere when we awaken to it.

INS2—11 1/2 minutes. Professional Use: \$19.95.

Grief: Images and Intimations

Changing floral images represent aspects of grief while guitar music plays. In time a unique quotation is added to each image, providing a helpful, confirming message about the nature of grief.

INS4—12 minutes. Professional Use: \$19.95.
